

Documentation of FHWA Review

Project Name: Route 915 Centerville Turnpike
State Project Number: U000-134-842, P101, R201, C501

UPC: 109381

Based on the preliminary environmental impact information compiled by VDOT, FHWA approved this project as a Categorical Exclusion on 12/31/2018. Based on my review of the Categorical Exclusion documentation submitted by VDOT, I find this information acceptable and sufficient as supporting documentation to support the original Categorical Exclusion determination.
